

North Carolina
Chamber

A force for business.

September 20, 2016

The Honorable William O. Richardson
North Carolina General Assembly
16 W. Jones Street, Room 1021 LB
Raleigh, NC 27601

Dear Representative Richardson,

On behalf of the North Carolina Chamber and its 35,000 members who employ 1.26 million workers, it is my pleasure to recognize you as a 2016 Jobs Champion. As the state's largest, broad-based business advocacy organization, the North Carolina Chamber supports candidates whose professional backgrounds and voting records demonstrate a commitment to preserving and enhancing a positive climate for business and job creation in North Carolina. You voted for the Chamber's Jobs Agenda a majority of the time, led efforts to pass key pro-business bills, and share our vision to expand free enterprise and economic prosperity in North Carolina.

As a pro-jobs candidate, you understand the policies that enhance North Carolina's business climate, improve our education and talent supply system, develop our infrastructure, and boost entrepreneurship and innovation. As a result of the pro-growth policies you have helped to advance over the last few years, businesses of all sizes that employ millions of North Carolinians can look to expand, spurring further business investments and job creation.

There is work still to be done, and we know that we can count on you to focus on policies that equip North Carolina to create 1 million new jobs over the next 15 years. With that in mind, you have our endorsement as a pro-business candidate in your bid for reelection.

Sincerely,

S. Lewis Ebert
President and CEO
North Carolina Chamber
